

LED 240v Globe

BL-B225X1

1yr Warranty

Main Beam at 360 Degree

Gives a light output compared to a 40w incandescent globe

240V AC 5 x 1W LED household B22 Bayonet replacement, gives a comparison of light output too a 40w Incandescent globe but only draws 5w, simply remove the old Bayonet incandescent globe and fit in the new.

Ideal for many areas in the house or office where a standard 40w globe would be installed
