

# LED 240v Globe

**BL-B227X1**

1yr Warranty

**Main Beam at 360 Degree**

**Gives a light output compared to a 60w incandescent globe**

240V AC 7 x 1W LED household B22 Bayonet replacement, gives a comparison of light output too a 60w Incandescent globe but only draws 7w, simply remove the old Bayonet incandescent globe and fit in the new.

Ideal for many areas in the house or office where a standard 60w globe would be installed
